Paul, Chamberlin, Hammer win City Council seats

Campbell voters made local (and state) history on Tuesday by electing Rusty Hammer, an 18-year old Santa Clara University student to a four-year term on the City Council.
Elected along with Hammer was Norm Paul, a member of the Planning Commission, and Dean Chamberlin, incumbent councilman seeking his second term.

CITIZENS-OF-THE-YEAR--
At the annual Chamber of Commerce installation in January, the Rev. W. H. (Ben) Gould (left), 1970 citizen-of-the-year presents the plaque

to Norm Paul, who was named 1971 citizen-of-the-year. Paul, who had served as president of the CofC and on the Planning Commission was elected to the City Council in April.

ADMIRING CHECK--Mayor Bill Podgorske carefully guards the check received by the city in December as the first allocation of the new federal revenue-sharing program. The check was for \$97,762, representing one-half of the first year's allotment.

ON OLYMPIC TEAM--Campbell's lone entry in the 20th Olympics in Munich in July was Steve Barnett, of 433 Queens Court, a member of the water polo team that won the bronze medal for third place. Barnett was honored by the City of Campbell and the Chamber of Commerce at a luncheon in September.

THE YEAR OF EXTREMES--The thermometer at the First National Bank in Campbell in

July hit a record high and in December a record low, making 1972 something special weatherwise.

HONORED -- Floyd Little, who over the years has been an outstanding civic worker and whose "mini-park" on Winchester Blvd. next to his A&W drive-in is one of the most attractive spots in town, in May was named citizen-of-the-year by the Police Department at the annual community recognition dinner. At the last City Council meeting of the year this week, Little was honored by the City Council and the Parks and Recreation Commission for his achievements. In May, Little was also honored by the city's beautification committee for his mini-park.

Pictures portray events of 1972

IN THE LAST ISSUE (like this one) of the year, The Press traditionally reviews outstanding news events that have occurred in this community during the past 12 months.

Both headlines and pictures are used in the presentation, in order to cover the field a little more thoroughly.

Obviously, not every notable event could be recorded on film.

Although it is time consuming and there is the danger that the researcher will get too engrossed in his subject, the year's review is always an interesting assignment. We mean this delving into the immediate past.

The review in The Press is limited, of course, to this community. We have long maintained that it is more difficult to select the major events on a provincial rather than on a nationwide basis.

Such epochal happenings as the presidential campaign and election, the Vietnam peace negotiations, airline accidents, the Apollo 17 flight and many other similar occurrences quite naturally fall into the "big story" category for the year without much question.

But when it comes to picking the top stories on a purely local basis as reported in the last 51 issues of The Press, there is an entirely different perspective involved.

And, we might add, there is a wide difference of opinion.

SELDOM HAS THERE been complete agreement, even among the members of The Press family, as to what are the biggest news stories of the year in this community.

So it follows, of course, that it would be ridiculous to presume that the selections for 1972 that appear in this issue meet with the wholehearted approval of the readers.

There is no set guideline to use in the selection of the top events for a 12-month period.

As we turn the pages of the newspaper file, we are always amazed by all that has happened in the span of one year. Some of the events had been more or less expected, but countless others occurred without warning.

It is sort of humbling in a way, as we stand on the brink of another year.

How little do we know of what lies ahead in 1973.

SO WHAT WERE THE top news stories in Campbell during 1972 as reported in The Press?

If the amount of newspaper space devoted to any one subject is taken as a criteria, the hassle over the development of the Amato property heads the field.

Actually, the Amato case came into the limelight in the previous year. But records show that during 1972 more space was devoted to the controversy over that one 32-acre parcel than any other single issue. The first stories on the subject appeared in January and it was not until August when the final one was written.

But was that the top story in this community for 1972 in your opinion?

HOW ABOUT THE VOTERS rejecting an increase in the tax rate for the Campbell Union (elementary) School District in February but subsequently approving a continuation of the tax in July.

Or the election of Rusty Hammer, at 19, as one of the youngest city councilmen in the United States?

Or the internal turmoil at the Campbell Community Hospital?

Or St. Lucy's silver jubilee in October?

Or the city's first Easter parade?

Or the retirement of Fire Chief George Maxwell to accept a position in Alaska and the decision of Dr. Ed Rogers to step down as a councilman after serving for 12 years?

Or the appointment of two new chiefs for the City of Campbell: Don Burr, police, and Gene Borden, fire?

Or the city establishing its

own communication center after 20 years with the county and also rejecting any consolidation with the county fire district?

Or the proposed plans for converting the old Sunsweet plant into "The Factory" as a new cultural and commercial center or the first Thanksgiving services in Campbell in

which both Protestant and Catholic churches participated.

Or..... But what's the use? The list could go on and on.

And it is all a matter of opinion.

Some of you, of course, will think that we used poor judgment in our selection.

But what else is new?

And a Happy New Year to you, too.

GREETINGS FROM friends and acquaintances at Christmastime is one of the pleasurable highlights of the season.

Of course, often there is a sort of guilt factor involved when one hears from someone with whom one has not had contact since the previous Christmas.

But then that is to be expected. Despite the good intentions we all have each time a card arrives from a person we haven't heard from for a year.

How many times have we said, "We just have to get together this next year."

And we mean it when we say it.

But then we get so caught up in our individualized routine so another year passes before we realize it and we still haven't "gotten together."

So it goes.

But we still enjoy pawing through the cards mentally and somewhat vicariously (maybe), renewing friendships.

Admittedly there are times, if the last name or address is

used, that we find it difficult to recall who "Joe and Betty are."

And now it has become increasingly difficult even to pinpoint the city from which the cards are mailed because some of the stamp cancellations merely show "Postal Service."

But we still like to get 'em. Don't you?

ONE OF THE NOTES WE received was from District Attorney Louis Bergna, a good friend of ours and with whom we were quite closely allied during our tenure on the Grand Jury.

We thought you might enjoy it also:

"Dear George: "One of my young lawyers, brought the following prayer to my attention--my staff and I would like to share it with you this Holiday Season.

"Let us pray that strength and courage be given to all who work for a world of reason and understanding;

"That the good that lies in everyman's heart day by day, be magnified;

"That men come to see more clearly not that which divides them, but that which unites them;

"That the true spirit of this Christmas Season--its joy, its beauty, its hope, its abiding faith--live among us;

"That the blessing of peace be ours--to build and grow, and to live in harmony and sympathy with others.

"Best wishes for a Merry Christmas and Happy New Year.

Sincerely, Lou.

CAN YOU THINK OF A better way to end our last column for the year?

We couldn't.

So thanks, Lou, and our best to you.

AND A HAPPY NEW YEAR to all of you.

AFTER 12 YEARS—Dr. Edward J. Rogers, a political science professor at San Jose State and, for 12 years, a Campbell city councilman, and Mrs. Rogers were honored at a retirement dinner at Zorba's last Friday. Rogers did not seek reelection this year.

AT BIRTHDAY—The Country Woman's Club of Campbell celebrated their 67th birthday with a tea and a program presented by Mrs. Sallie Morton, second from right, on jewelry. Discussing the program are left to right Mrs. Mary Tellefson, Mrs. Elmer Hoerler, and Mrs. Ray House.

Bell stays

Campbell's lone historical landmark, the El Camino Mission Bell will remain in its present tree-shrouded location at Winchester and Campbell avenues as a result of the City Council action Monday night.

The City Council, upon recommendation of the Parks and Recreation Commission and other interested citizens who thought the bell should be in a more visible spot, had directed that it be moved to the Gomes Park.

However, the Council reversed its action on Monday after the receipt of a letter from Mrs. Fred H. Stephens, president of the Pundita Club, requesting that the bell remain in its present location.

Museum offers new displays

Two of the outstanding mammals who inhabited the Bay Area in pre-historic times are being featured in displays at the Junior Museum in Alum Rock Park.

The winter display includes Paleoparadoxia, a lumbering marine mammal of the Miocene epoch, and Camelops hesternus, a large camel-like creature who roamed the river banks during the Pleistocene

epoch. Casts of fossil bones of these animals, models and artists reproductions, along with maps of fossil sites are on display at the Youth Science Institute.

The museum is open to the public, Tuesday through Friday from 9 a.m. to 4:30 p.m. On Saturdays the hours are 10 a.m. to 5 p.m.

A NEW, MODERN TRANSIT SYSTEM FOR SANTA CLARA COUNTY IS ON THE WAY

Starting New Year's morning, County Transit buses will be operating. Very shortly we will be providing service on all the local routes formerly operated by San Jose City Lines, Peninsula Lines and Peerless Stages, Inc. (if Peninsula and Peerless agree).

HERE ARE SOME OF THE IMMEDIATE IMPROVEMENTS:

• **NEW fare structure, with no zone charges.**

HAVE EXACT BUS FARE READY

Basic Adult Fare	25 cents	Youths, 5 to 18	10 cents
22 Ride Commute	\$5	Children under 5, free with adult paying passenger	
Senior Citizens, 65 or over with Medicare or Santa Clara Transit Identification		10 cents	

Convenient ticket books available for 10 rides for children and senior citizens 10 rides for \$1.
Also available for adult fares, 4 rides for \$1.

• Free transfer may be requested to any other Santa Clara County Transit District line. Good for continuous ride in one direction within time limit indicated, a maximum of one and a half hours. Transfers issued from San Jose lines to Palo Alto lines or Palo Alto lines to San Jose lines are valid an additional one and a half hours.

• NEW timetables and route maps.
• NEW system for getting transit information by phone.
Scrubbed buses, with improved maintenance.

Please bear with us. We will acquire additional coaches for improved services as rapidly as federal regulations permit.

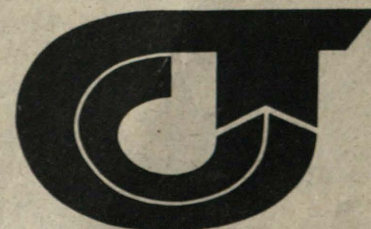

We are talking with people on all levels throughout the county about neighborhood and area needs. Each area will be heard.

Eventually, you can expect ...

- NEW neighborhood service.
- NEW intercity service.
- NEW buses, with more comfortable seats and more leg room.
- NEW concepts of transportation, such as Personal Rapid Transit.

PHARMACY PHACTS

By Allan Blaine

George Washington's closest friend was a druggist-physician, Dr. Hugh Mercer. He had an apothecary shop and medical office in Fredricksburg, Va. It's now a museum.

One out of every 10 people in the U.S. has a temporary or permanent physical handicap.

People with hay fever or other conditions that cause the eyes to water usually can't wear contact lenses.

A new vaccine has been developed to prevent serious infections in burn wounds.

It's not all in your head after all. A British physician says migraine headaches may actually be a respiratory disease caused by the lungs' inability to purify the blood properly.

When your doctor prescribes the best, we do the rest, at

Services will take place on Thursday for Kelvin Young

Masonic funeral services will be conducted this Thursday at 2 p.m. in the Campbell Memorial Chapel for Kelvin (Kel) S. Young, 65, of 430 N. Central, long-time business and community leader of Campbell, who died Tuesday in a San Jose hospital after a lengthy illness.

Young was associated with McKinley-Young, electrical contractors in Campbell for

24 years before retiring last year. He served as president of the Electrical Contractors Association of Santa Clara Valley from 1959-64.

Born in Athens, Ohio, Young attended Ohio University and came to California in 1931 and to Campbell in 1945.

He took an active part in civic affairs and was a member of the Planning Commission from 1966 to 1968. He was chairman of that body when he retired in 1969. He was also a candidate for the city council in 1970.

He was an active member of Masonic organizations. He was a member of Masonic Lodge N. 25 of Athens, Ohio, and the Scottish Rites bodies of San Jose. He was also a member of the Islam Temple of San Francisco.

He is survived by his wife, Juanita, a son, Stewart, and three grandchildren.

Also surviving are two brothers, E. B. Young and Baker Young, both of Athens, Ohio, and a sister, Mrs. Iris Vaden, of Menlo Park.

LOSES GIFTS

Over \$1,000 in Christmas gifts were stolen from the automobile of a Campbell man while it was parked overnight in an apartment complex lot.

Archie B. Cline, 215 Union No. 236, reported to Campbell police that his car was broken into sometime before Christmas morning.

Lost in the theft were a camera, electric appliances, children's toys, candies and liquor.

THANK YOU NOTE

Dear George:
On behalf of the Silver Jubilee Committee, may I close the year with a sincere thank you for all the publicity you gave our events. We know that the Jubilee touched the lives of many in the community, and for all you did to make it a success, we are grateful.

The Jubilee is not over but continuing as we prepare a scrapbook of materials to be held for the 50th Jubilee Committee! The issues of the Campbell Press with your stories on the Jubilee will be included because not only are they a fine record of our events, but they are a historical journal of life in Campbell in 1972.

You are to be commended for recording Campbell's history so faithfully. We are indeed fortunate to have a home town newspaper such as yours.

Best wishes for the New Year.

Sincerely,
Jeanette Watson

Osorio gets trustee post

Herman E. Osorio, 2287 Central Park Dr., took the oath of office at the recent meeting of the Cambrian School District Board of Trustees. Osorio fills the vacancy left by the resignation of Quentin "Bud" Taylor last July.

In other business, trustees heard reports concerning the feasibility of hiring a business

manager. They also discussed amendments to the board-personnel relations policy.

Hal Ely, principal of Cambrian School, gave a comprehensive report on outdoor education. The administration will be conducting a survey to determine how the community and teachers view participation in such a program.

Next meeting of the board is Tuesday, January 9, 1973

TO HELP YOU FEEL ACQUAINTED
- We believe that Jesus Christ is the Son of God.
- That righteousness is simply "rightness".
- That there is no one that is righteous.
- That through faith in Christ's death for us, God forgives our past sins.
- That through this forgiveness we can have fellowship with God, person to Person.
